

Windswept

*Florida Keys Oceanfront Rental
987 Ocean Drive, Summerland Key, Florida 33042*

Windswept is a 4 bedroom, 3 bath, two story home for rent on Summerland Key (mile marker 25) with open views of the Atlantic ocean. This breezy island get-a-way, fashioned in the casual style of Key West & The Bahama Islands, is the perfect vacation spot for anyone seeking to rent a peaceful, charming and conveniently located beach cottage.

Located on the ocean with its own private dock and beach, Windswept's first floor (unlike most Florida Keys homes on stilts) is ground level allowing easy access to the kitchen, living room, 2 bedrooms, 1 bath and a large screened in porch that stretches the entire waterfront side of the house. The upstairs has 2 bedrooms and 2 adjoining baths. Both upstairs bedrooms have sliding glass doors that open up to a large upstairs balcony with unending water views, a built in sitting area, and an outdoor staircase that leads to the beach.

Amenities include A/C, fully equipped kitchen with microwave and dishwasher, cable TV, washer/dryer, & charcoal or gas grill on the deck. Sleeps 8 or 10 or 3 to 4 couples.

Windswept is located on Summerland Key at mile marker 25 or 25 miles from the historic, island city of Key West. Looe Key, a premier diving reef, is located 6 miles out in the Atlantic and Little Palm Island (an exclusive island resort) is very close and available, by their boat or yours, for a five-star lunch or dinner. Bring your boat or rent one and tie up at our new dock. A vacation to remember for all ages and interests or the perfect hideaway for the artist/writer.
